Request for Academic Credentials and Transcript

Dear sir/ma,

I hope this letter finds you well. My name is **Ismail Ibrahim**, a student of psychology faculty of science and literature with student **ID 2105020039**.

Unfortunately, in May 2024, I was deported due to an expired student permit, and as a result, I am unable to return to the country to collect my academic credentials in person.

I kindly request that my official academic transcript and all relevant credentials be issued and sent directly to me at the following address: No. 389 link 10 janbulo, kwale LGA kano, Kano state, Nigeia.

If required, I am able to cover any administrative or mailing fees for this process. Please let me know the appropriate procedure and payment method to facilitate the release of my records.

For verification purposes, you may confirm my deportation status with my legal representative Mr.Ramadan +905338697892 or confirm with the Police.

I sincerely appreciate your assistance in helping me continue my education elsewhere, despite these difficult circumstances.

Yours faithfully,

Ismail Ibrahim
